

Bilmar Farms

CATTLE-LOG

The Bilmar kind. Daughters of Imported Aldie Apex.

AUCTION SALE

Grand Blanc, Michigan

Saturday, October 15, 1955

THE BILMAR SALE

of richly bred Scotch Shorthorn Cattle

from the strong herds owned by

W. H. Boutell, Bilmar Farms, Grand Blanc, Michigan

F. & S. Perkins, Broadblade Farm, Swartz Creek, Michigan

Geo. McLachlan & Sons, Lakeside Farm, Evart, Michigan

Sale to be held at beautiful

Bilmar Farms, Grand Blanc, Michigan

7 miles South of Flint on U.S. 10

Saturday, October 15, 1955

Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois

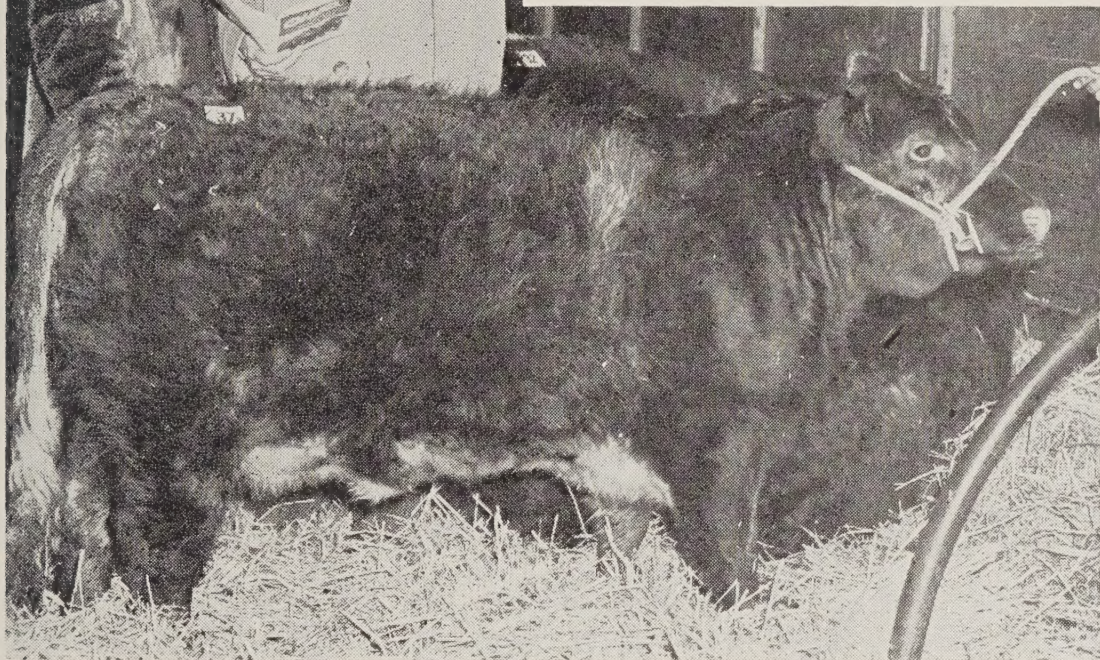

Bilmar Ruby Gem and Bilmar Queen of Beauty, typical daughters of Imported Aldie Apex produced at Bilmar Farms. The first named heifer is Lot 3 in this sale.

The 49 cattle in this sale, all superior individuals and royally bred, can be recommended to the Shorthorn breeders of America, wherever located. Never have better cattle been offered in the state of Michigan.

Mr. and Mrs. W. H. Boutell, owners of Bilmar Farms, look over one of the good heifers offered in a recent Ohio sale. On October 15th they invite all lovers of good cattle to join them at Bilmar on the occasion of their First Annual Sale.

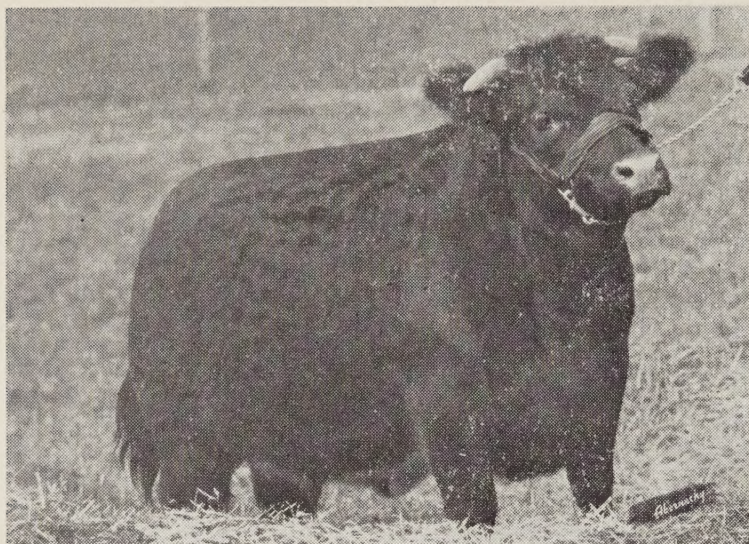

We cordially invite all lovers of good Shorthorn cattle to be with us at Bilmar Farms on Saturday, October 15th, on the occasion of our first auction sale. In planning the sale offering, we are proud to have had the cooperation of our Michigan neighbors Stanley Perkins and Geo. McLachlan, both of whom have provided excellent consignments.

We have looked forward to this occasion with great anticipation. During the past ten years we have attended many sales and visited many Shorthorn farms and the friends we have made mean a great deal to us. We hope our first sale at Bilmar Farms will provide an opportunity to greet all of these friends and to make many new ones.

Except to say that we are proud of the cattle we are offering as well as those of our associates, we do not care to sing further praises. It is our hope that they will fall into the hands of appreciative buyers and we are very sincere in our belief that each animal will be an improver.

All of us here at Bilmar want to express the hope that you will be with us on October 15th and that you will spend as much time at the farm as possible.

Mr. and Mrs. W. H. Boutell

Bilmar Queen of Beauty, a typical Bilmar production.

Please note—

The Bilmar Sale will be held on Saturday, October 15th. Another Shorthorn sale of great importance will be held at London, Ohio, on Monday, October 17th, when David S. Graham will sell 50 head from his strong Greenwood Herd. With a day between for travel and visiting, these two sales should appeal to buyers from a distance.

General Information

Sale Location—This sale will be held at Bilmar Farms, Grand Blanc, Michigan, owned by W. H. Boutell. The farm is located 7 miles South of Flint, Michigan, on U.S. Highway 10.

Time—The sale will be held on Saturday, October 15th, starting promptly at 12:30 p. m. Eastern Standard Time. Lunch will be served at the farm.

Transportation—Flint, noted as an automobile manufacturing center, is one of the principal cities in Michigan. It is 60 miles northwest of Detroit and U.S. 10, main highway from Detroit runs directly past Bilmar Farms. Flint is 65 miles west of Port Huron, Michigan, and 100 miles due east of Grand Rapids, Michigan. Bilmar Farm is located on the outskirts of the village of Grand Blanc, 7 miles south of Flint. Flint is on the main line of the Canadian National Railway running from Chicago to Toronto. Capitol Airlines maintain frequent air service to Flint from Chicago, Grand Rapids and Detroit.

Sale Headquarters—In the belief that most travelers prefer to stop for the night when the spirit moves them, we have not named any sale headquarters. The Durant Hotel is a fine place to stay in Flint. There are many excellent motels in the Flint area and near the farm. We will be glad to make reservations for you if you will advise us in advance. Calls in advance of sale day or on sale day morning may be made to Dwight McCoy, manager Bilmar Farms, at Grand Blanc, Michigan (phone Owens 46179).

Auctioneers—C. D. Swaffer, Glen Casey and Ned Place.

Mail Bids—Those unable to be present and who desire to do so, may send buying orders to any of the following men:

Hal Longley, The Shorthorn World, 16 S. Locust Street, Aurora, Illinois
Allan C. Atlason, Secretary, American Shorthorn Breeders' Assn., 7 Dexter Park Ave., Chicago, 9, Illinois.

Ed Huff, Eastern Representative, American Shorthorn Breeders' Assn., Culpeper, Virginia

LeRoy Van Dyke, c/o The Drovers Journal, 815 Exchange Avenue, Chicago, 9, Illinois

Please note—Those who wish to secure further information about the cattle in this sale or regarding travel or hotel accommodations, should get in touch with Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.

Reliable truckers will be available and we will assist in securing trucks at reasonable rates.

Bilmar Farms, Grand Blanc, Michigan, Dwight McCoy, manager, Phone, Owens 46179. Aubrey Janaway, herdsman.

Some of the members of the 1955 Bilmar show herd. Several of those pictured are included in this sale.

You will like this sale offering . . .

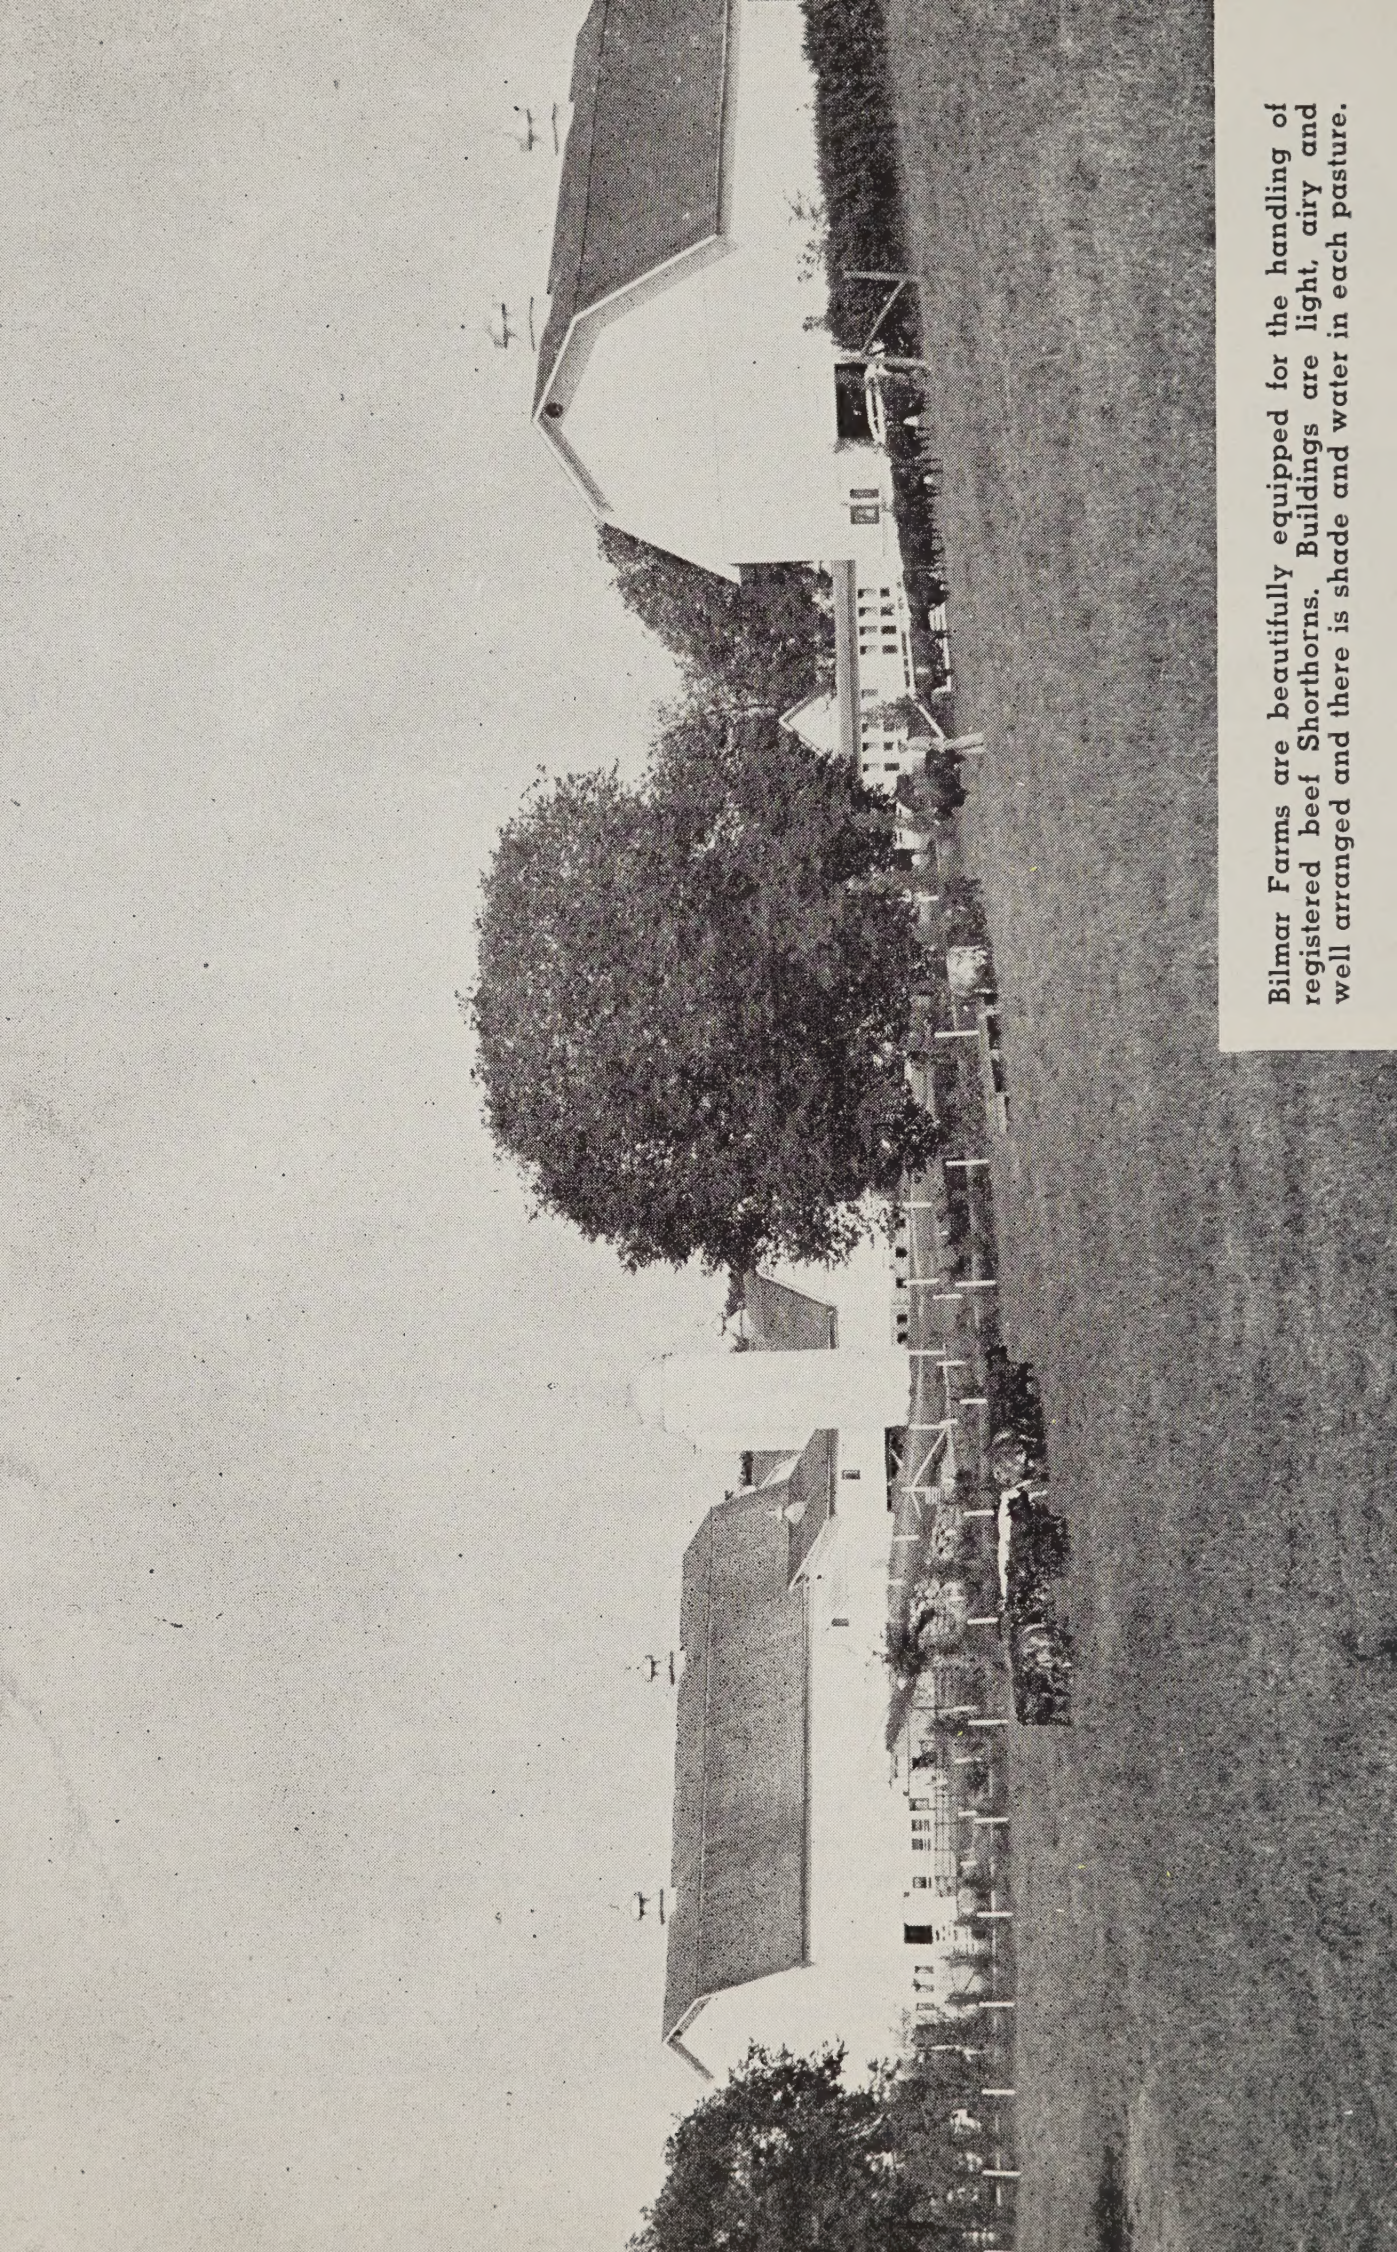

Experience has proved to me that many breeders of purebred live stock are so eager to invite friends to their farms that they hold their first auction sales before they are really ready. This is not the case at Bilmar Farm. Owner W. H. Boutell and manager Dwight McCoy made plans far in advance for the first Bilmar auction and those who attend will be highly pleased with the breeding, individuality and condition of the cattle.

I have been familiar with this herd since its beginning. Few breeders have accomplished more in a like period of time. Although the herd has grown to large proportions, never has quality been sacrificed for the mere purpose of accumulating numbers. Bilmar pastures today are filled with great cows and following them are calves that will delight critical judges.

Associated with the Boutells in this sale are the McLachlans and Stan Perkins, widely and favorably known, and they are supplying strong consignments. All who have a part in this sale believe in practical Shorthorns, the kind that will perform perfectly for those who buy them . . . the kind that wear their pedigrees on their backs.

The 49 head in this sale may be highly recommended because this is an offering that is indicative of good management and carefully planned matings.

HAL LONGLEY, of The Shorthorn World.

Bilmar Farms are beautifully equipped for the handling of registered beef Shorthorns. Buildings are light, airy and well arranged and there is shade and water in each pasture.

Dwight McCoy, manager, Bilmar Shorthorn Farms, Grand Blanc, Mich., demonstrates how to make rope halters at the Beef Herdsman's School, Michigan State College.

Terms and Conditions . . .

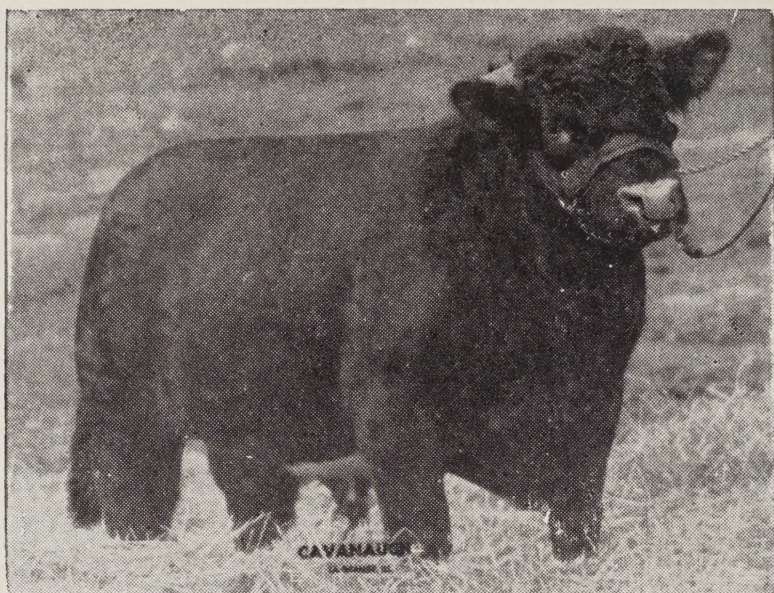

Guarantee—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association which is printed on page 52 of this catalog. Notices of failure to breed must be given to the owners within six months of the date of the auction. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Terms—The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Health—Calfhood vaccinated for Bang's is practiced in all three herds participating in this sale. All cattle have been tested for Tuberculosis within 30 days of the date of the sale and a 60-day Tuberculin retest will be allowed. Health certificates will be issued on sale day under the supervision of the Michigan State Veterinary Department.

Liability—The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

Inquiries About Cattle Listed—The Sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

Aldie Apex—The picture above shows him as a calf and is the only one ever taken of him. This is the imported son of Chapelton Baronet that we bought in the 1951 Leveldale Sale. His first son was \$19,000 Leveldale Custodian that is doing such a great job for S. J. O'Bryan at his Susanna Farms, Lake Villa, Illinois. As an indication of the prepotency of this blood, Leveldale Custodian sired both reserve grand champions as well as the first prize senior get-of-sire and the first prize junior get-of-sire at the 1955 Illinois State Fair. Due to an injury we lost the service of Aldie Apex at an early age but the calves he sired for us are excellent. Although we are listing a few of his best daughters as features in this sale, we wish to make it plain that these are all that will ever be offered.

Imported Kair Corporal

		Kair Jilt (244875)
		Red, G. J. C. Anderson

Kair Corporal—We were fortunate enough to get the pick of the bulls Les Mathers imported in 1954. Corporal is by the same sire as the Perth Supreme Champion and Reserve Champion of the same year. Bill Anderson tells us that at the time of his visit to Scotland the Andersons had 105 cows in calf to Calrossie Crocus Count. A great recommendation for a sire. On the dam's side, Corrimony Golden Sovereign has proved himself many times. Les Mathers sold a son for \$8,000, Reford Gardhouse sold another son for \$6,000, Les sold a daughter for \$5,000 and made an outstanding show record with another daughter. Several more of his sons and daughters have done exceedingly well in this country as well as as in Scotland where his daughters are highly valued breeding females. Corporal is adding prestige to his breeding and pedigree by siring outstanding calves here at Bilmar.

Five open heifers, all selling in this auction. From left to right they are: Ashmoore Dorothy 15th (Lot 21), Bilmar Lustre Lassie (Lot 11); Bilmar Augusta 3rd (Lot 12); Bilmar Beauty 2nd (Lot 5); and Bilmar Nonpareil (Lot 10).

Above—Leveldale Custodian, \$19,000 son of Aldie Apex, Chief stock bull at Susanna Farms, Lake Villa, Illinois. His calves won both reserve championships as well as first prize senior "get" and first prize junior "get" at the 1955 Illinois State Fair.

Left—Bilmar Bounce, one of our first calves by HHF Benefactor Bounce. Note the grand head and sturdy bone.

HHF Benefactor Bounce.

Bilmar Lady Venus—The dam of this heifer is one of our most outstanding cows. She would look well in any herd. This heifer will make a good cow and her calf by Kair Corporal should be outstanding. Bred April 13.

Here they are, crowding up to the feed bunk. Note the thickness of the Bilmar brood cows.

In assembling this sale offering the owners of Bilmar Farms are proud to be associated with Fenton and Stanley Perkins, owners of the Broadblade Herd, and Geo. McLachlan & Sons, owners of the Lakeside Herd. Through the use of famous sires bred at Edellyn Farms and Killearn Farm, these two fine Michigan herds have achieved nationwide reputations and have been successful in the production of the kind that win championships at the Michigan State Fair, Michigan State Sales and the Michigan Beef Calf project.

Two views of the Bilmar breeding herd appear on this page. Each picture provides evidence of character, quality and approved beef conformation. Initial purchases for the foundation of this herd were made in Michigan, Ohio and Illinois. Great strength was added through the purchase of the entire herd owned by Garsons Farm, Indianapolis, Indiana, a herd that contained eight granddaughters of Bapton Commando, one of Scotland's greatest sires. Still more strength came through the purchase of carefully selected females from such noted herds as Acadia Farms, Kickapoo Farms, Leveldale Farms, Strowan Farms and others . . . until today the Bilmar Herd ranks in numbers and quality with the best in the land.

The Lakeside Consignment . . .

The following five heifers are consigned to this sale from the Lakeside Herd owned by Geo. McLachlan & Sons, Ewart, Michigan. The McLachlans have been leaders in Michigan Shorthorn affairs and have produced cattle that are frequent winners and top sellers in Michigan State Sales and Michigan Feeding Contests. Note that three of these heifers are by the \$10,000 Killearn Max Senator and two others are bred to him.

Left, Jim McLachlan, Ewart, Michigan and his 1952 Grand Rapids grand champion, seventh show steer from one dam by Helfred Comet. Sire, Killearn Max Senator. A steer by Killearn Max Senator ranked first in the 1954 state feeding test for Robert McLachlan.

KILLEARN MAX SENATOR

1950 Gallinger high selling bull at \$10,000. In service at Lakeside Farm.

Ashmoor Lavender 3rd is one of the good daughters of Pittodrie Remembrance. Pittodrie Remembrance is a half brother to the great Pittodrie Upright. This heifer sells bred to Killearn Max Senator.

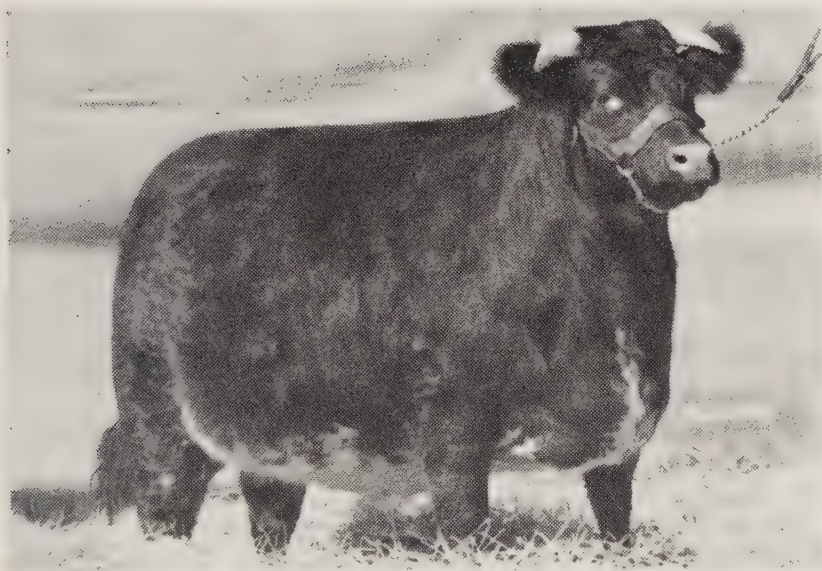

Lakeside Max Diamond, a son of Killearn Max Senator that won grand championship at the 1953 Michigan State Fair as a senior calf by Geo. McLachlan & Sons.

Left—for two years in a row, Broadblade Farm won first prize in the junior get-of-sire class at the Michigan State Fair on calves sired by Edellyn Twofold Mercury. This group won in 1954. The heifer in the middle is Gilt Edge Lovely 5th, lot 37 in this sale.

Right—This trio sired by Edellyn Twofold Mercury won first prize in the junior get-of-sire class at the 1953 Michigan State Fair for Broadblade Farm.

Left—Broadblade Melody, senior and grand champion female at the 1954 Michigan State Fair for Broadblade Farm. The bull, Broadblade Dasher, lot 34 in this sale, is out of the same dam as this champion female.

The following 16 sale animals are consigned from the Broadblade Herd, productions from which have won many championships and topped many sales. The owner of this herd, Stanley Perkins, is widely and favorably known, having served capably as fieldman for the American Shorthorn Breeders' Association for many years. Backed by strong bloodlines, this is a practical herd wherein no nurse cows are used because none are needed. You will like this Broadblade consignment.

Broadblade Rosemary is the only daughter of Baronet's Royal Lady that produced four State Sale champion bulls in Indiana and Michigan. Bred to Masterstroke Count.

A red, a white and a roan, three of the top five in the "Best 20 Head" at the Michigan Beef Calf Feeding Project, held at the Michigan State College, East Lansing, Michigan, in 1948. At the left is Broadblade, grand champion over all breeds of the combination class judged for rate-of-gain, individuality and finish, exhibited by F. & S. Perkins, Swartz Creek, Michigan. The white was reserve over all in the Junior Division, shown by a cousin, Thomson Perkins. The roan was another F. & S. Perkins entry, third in the junior and third in the Shorthorn divisions.

sweet headed and right on the ground. Bred to Masterstroke Count on August 7.

GUARANTEE

OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
